We welcome recovery organizations that promote addiction help and options. We would like to invite you to participate in our recovery event, on April 27, 2019 at the West Virginia School for the Deaf and Blind, to take part in our recovery awareness event. This event features a 5k run, 1 mile support walk, testimonies from recovering addicts, live music, food, business vendors, kids activities and more. Join us as we bring awareness to our community, as we unite together to end addiction. During this one-day event we encourage our community to come learn more and to participate as part of the solution! There is no fee for informational booths at this event. We want as many recovery resources to participate as possible to get all of your information to the hands of the community.

If you would like to participate, please fill out this form and send a signed copy to the above address or email a signed copy to freedomwalk5kvendors@gmail.com

Please remember to bring your own table and chairs.

Thank you from all of us on the Freedom Walk/5K Run planning team.
